TERMS AND CONDITIONS OF SALE

PRICES IN THIS CATALOG cancel all previous list and quotations and are subject to change without notice.

All prices quoted F. O. B. Julian, N. C.

TERMS: Cash with order unless credit has been established with us. Orders to be sent C.O.D. should be accompanied with one-fourth cash. For all Charge Accounts our Terms are Net 30 days from date of invoice. Interest charge of 6% will be charged after 30 days, unless arrangements were made prior to sale.

CLAIM: The buyer and vendor agree that the vendor gives no warranty express or implied as to the productiveness of the stock hereby offered. Keeping it for 10 days after receipt by the buyer without complaint in writing, constitutes a definite acceptance thereof by buyer.

NOTICE: We exercise the greatest care to keep our varieties pure and true to name, but do not warrant in any way expressed or implied the contents, or the description, quality, productiveness or any other matter of bulbs or plants sold by us, and we will not in any way be responsible for the crop. It is mutually agreed that we shall not be liable for any amount greater than the purchase price paid. No claim will be considered without made within 10 days after receipt of same.

TRANSPORTATION: We can arrange for our trucks to deliver, have access to several local delivery trucks for hire, Rail Freight, Express or Motor Freight. Customers are requested to give definite instructions. In absence of special instructions we will use our best judgment. All shipments travel at risk and expense of purchaser. Transportation companies must be looked to for redress for delay, loss or damage, as our responsibility ceases when goods are delivered to them. By having a few weeks notice we are glad to work out combination truck loads going into your general direction.

DELIVERY CHARGES are due when merchandise is delivered.

CONDITION OF SALE: All orders are accepted on condition that they shall be void should injury beyond our control befall stock, and subject to all Government regulations, affecting labor, materials and transportation.

INSPECTION: Each shipment is furnished with a Certificate that our nurseries have been inspected by the State Entomologist of North Carolina and found to be free from contagious diseases.

STOCK: Especially selected will be priced according to its value without regard to prices shown here.

A CORDIAL INVITATION IS extended to all to visit our nurseries.

CORN COBS (ground fine) Per 100 lb. 1.65

Per Ton.....32.50

ROOTONE with Fungicide

Stimulates the natural tendency for roots to form on slips or cuttings. Rooting takes place in shorter time. Heavier root systems are formed and fewer cuttings die from disease. Controls damping off and other soil-borne diseases.

2 oz. jar ea. 1.25

Per doz.12.00

PLANTAINER CANS

One of the Irrigation Lakes

You are cordially invited to try your luck fishing in any of the six lakes we use for irrigation. Some are stocked with Bass and Bream while others have some large Sail Catfish and Crappie.

and are especially invited to try your best feeling in any
the new paper we now for instance, in some are wanted
in some and again while others have some large Hall
ship and people.
